Keweenaw day, or K-Day, is our Student Involvement Fair. It is held on the first Friday after Labor day every year. Classes are excused at noon and shuttles are available to take students to Centennial Park in Chassell. There students can enjoy music, food, and learn about our students orgs, meet new people, have tons of fun, and get lots of free stuff!

Keep an eye out for the Spring Semester lineup!
Few homecoming festivities on any campus can rival Michigan Tech’s for zaniness and all-around fun! In addition to the football game, the celebration features the crowning of the homecoming court, cardboard boat races featuring dozens of boats, competitive challenges, a tailgate party, and many other events that promote Husky Spirit.
We currently have 242 registered student organizations on campus!

For more information on our student orgs please visit: www.involvement.mtu.edu or click on Campus Life > Student Involvement on the Michigan Tech homepage.

Stay up to date with all of the student org events on campus by checking out the calendar on Involvement Link!

Michigan Tech’s fraternity & sorority community is an active and positive part of campus life. With 19 Greek letter organizations, “Going Greek” can be one of the most significant experiences for a college student at Tech. The value of Greek life for students who choose to participate is the merging of almost every segment of the campus community into one cohesive program that promotes self-governance, leadership development, academic achievement, community service, and friendship.
